Performance Certificate

To whomsoever it may concerned

SUBJECT: SATISFACTORY PERFORMANCE OF TEKMAN'S VACUUM PUMPING SYSTEM.

We are pleased to inform you that M/s Tekman India Pvt. Ltd. has supplied Vacuum Pumping System for Distillation Application as a replacement for Vacuum Ejector System.

We found that end product quality has improved and process time reduced substantially, enhanced process efficiency and meeting environmental norms. We have calculated that we will recoup our initial investment of pump in less than 7 months, and the accessory LCCS (Lubricate Cleaning & Conditioning System) has aided to the process and reduced breakdown time with ease to access troubleshooting activity and reduced oil consumption reasonably.

We are also satisfied with their quick response and service to stabilize the process.

Best wishes for their bright future.

Thank You,

Rajan Chaudhary
